

We don't know (yet)
if you have hail damage on your property.

But we'd be happy to check.

FOLLOW THESE STEPS

to start the process

CALL YOUR INSURANCE COMPANY
and ask the following questions:

- How long do I have to make a claim?
- Will a request to have my property assessed for possible hail damage affect my insurance premium? Is it worth it?
- Is Epic Roofing & Exteriors Ltd one of your preferred contractors?
- If I would like Epic Roofing & Exteriors Ltd to create an estimate for repairs, will the insurance company contact Epic or should I?

WHEN CALLING EPIC or SENDING AN EMAIL
to request an insurance estimate please include or have the following information ready:

- Name of the insured on the policy, claim number, AND the name of the primary contact person (*if different from insured*)
- Name of your insurance company (*not your insurance broker*)
- Name and contact details of your insurance adjuster (*if you know it*)
- All your relevant contact phone numbers and email addresses
- Property address(es) to be assessed
